About Addressing The Three Factor in a survey of executives. The top two factors were customer service and effective communication. (Source: Harvard Business Review)

The Truth About Employee Engagement | Project Management Hacks

The Truth About Employee Engagement is a surprisingly quick-read and would qualify as a page-turner in my opinion given the genre. Instead of your typical self-help book, it is a “fable” that follows the story of Brian Bailey. Brian retires as CEO after successfully building up a fitness company and selling the business.

The Truth About How Companies Measure Employee Engagement

Sean's workshop on 'The Truth About Employee Engagement' deals with making sure that your employees become more engaged with the work they do. Studies in the U.S. show that increasing employee engagement even in the slightest way can result in: * 37% lower absenteeism * 25% lower turnover (in high-turnover organizations)

The Truth About Employee Engagement Workshop

Employee engagement refers to how invested your employees are in the work they perform every day. It has to do with the ownership they take in their projects and their willingness to go the extra mile for team or company success. To measure engagement, you can use a confidential internal survey.
